

Beth Greeson

Beth Greeson was born and raised in Portage, Michigan. She came to Indiana to attend Ball State University to swim for the Cardinals and joined Alpha Chi Omega sorority. She earned her degree in Interior Design, with both Marketing and Art minors. She moved to Indianapolis after graduation and worked in commercial interior design for 10 years, during which time she married her husband, Jason, and they had four kids. Jason and Beth moved to Zionsville 21 years ago to raise their family.

Beth is now a licensed Realtor and brings a different skill set to the home selling process by helping with interiors for staging, taking 360 photos and building virtual tours for listings, as well as developing various marketing pieces for our listings, ie. property brochures, newspaper/social media/magazine ads, conceptual photoshopped photos, floor plans, etc.
