

# Jane Louiso

Jane Louiso is a 15+ year industry veteran with a love of connecting homes with its perfect owners. Meeting potential buyers and sellers where they are, working alongside of them, creating a relationship and gaining a keen understanding of their needs is what makes Jane an invaluable resource for her clients. As a member of the Edwards Realty Group, she has success in the sale of hundreds of homes throughout Central Indiana.

The Edwards Realty Group is a dynamic group of Real Estate Professionals with a singular focus on providing the best possible service for every client. Robbin, Jane, Erin, Beth and Bill work seamlessly together to ensure an efficient and effective transaction every time.

Jane is an Indiana native and currently resides in Zionsville with her husband and two children. She has lived in Zionsville for over 15 years and also owns a cattle farm in Thorntown where they raise beef cattle and sell meat locally. She and her family are active in the Zionsville community – particularly in the Zionsville Schools System where both of her children attend and where she is a member of the Board.
